Responsible Machine Learning Summit 2020

Webinar on the Impact of Artificial Intelligence and Machine Learning in the Fight Against COVID-19

Please join us for our 2nd Annual Responsible Machine Learning Summit.

Friday, October 9, 2020
9:00 AM to 4:30 PM PDT
Zoom Webinar
Cost: FREE

Twenty distinguished guests will present on a broad range of topics including epidemiological forecasting, machine learning for COVID-19 genomic analysis, drugs and vaccines, digital contact tracing, privacy and security, natural language processing for knowledge discovery, trustworthy AI, health data processing and sharing. Attendees will be able to attend any/all of the 8 presentations scheduled throughout the day, each followed by Q&A.

RSVP

Kindly register by October 7, 2020
