Have you been diagnosed with COVID-19 in the past 14 days?

Was it on the CDC list of Level 3 countries or the State of New York? (linked)

Do not come to work. Self-quarantine at home and communicate your status to those you live with and your supervisor. Obtain permission from Library HR before returning to work.

Have you traveled in the past 14 days?

Do you live with someone who has been diagnosed with COVID-19 in the past 14 days?

Have you been in unprotected contact (without full, approved PPE) with anyone diagnosed with COVID-19 in the past 14 days?

Is your current internal body temperature greater than 100°F?

In the last 24 hours have you had:
- Fever over 100°F?
- New cough?
- Unexplained muscle aches/pains, shakes, or chills?
- Difficulty breathing or shortness of breath?
- New loss of taste or smell?
- Persistent sore throat?
- New nausea or vomiting?

In the last 24 hours, have you had any TWO of the following:
- Persistent runny nose, congestion, or sneezing?
- Diarrhea?
- Headache?

Are these symptoms unusual for you?

You are O.K. to come to work. Practice social distancing and wear a facial covering.
